

PARKS MAINTENANCE WORKER I

Class Definition

Under supervision, performs unskilled and semiskilled horticultural tasks in grounds maintenance and repair.

Distinguishing Characteristics

Parks Maintenance Worker I is a semiskilled working level class in the Parks Maintenance series. Incumbents perform unskilled and semiskilled duties in the maintenance and repair of parks and related facilities and equipment, and may perform custodial and minor building and facility maintenance and repair tasks. This class differs from Parks Maintenance Worker II in that incumbents of that class perform more complex parks maintenance duties. Incumbents may be required to work any shift, weekends, and holidays, and may work independently or as a member of a work crew.

Typical Tasks

(This list is neither inclusive nor exclusive. Consequently, this information may not reflect Essential Functions for this class.)

Waters and applies fertilizes, herbicides and pesticides to lawns, shrubs, flowers, and plant materials; cultivates trees and shrubs; trims and plants vegetation.

Operates lawn mowers, aerifiers, verti-cutters, and edgers in the cutting of grass and weeds; moves soil, debris, refuse, sand, and gravel.
