5. INFORMATIONAL ITEMS

Presentation by applicants Austin Ewell III of the Ewell Group and Brian Domingos of Premier Valley Realty, on behalf of Trustees Louis Brosi Jr and Louis Brosi III, regarding a multi-phase blended density residential project proposed for the 18.52 acres located on the northwest corner of North Chestnut and East Alluvial Avenues (2350 East Alluvial Avenue, APN 404-071-45). The proposal would include a mixture of multi-family units (duplexes, apartments) with an on-site recreational amenity (pool and “clubhouse,” and a 30-lot subdivision for development of single-family homes. With adoption of the General Plan in December of 2014, the Residential – Medium Density (5.0 to 12.0 dwelling units/acre) planned land use designation was assigned to the parcel. Because it is not yet annexed to the City of Fresno, it was not reclassified in the recent citywide rezoning; its County zoning remains AL-20 (*Limited Agricultural District, 20-Acre Minimum Parcel Size*). The property will be required to be annexed, and its proposed City zoning classification is RS-5 (*Residential Single-Family, Medium Density*).

6. UNSCHEDULED MATTERS

Unscheduled matters are items added to the agenda without the required 72-hour legal notice requirement. These items may be discussed but official action may not be taken until legal notices are given as required by law.
